Elementary Vision Statement: Working together in a safe and positive environment, to become successful life-long learners, both academically and socially.

Mission Statement: We will apply skills and strategies to become problem solvers and life-long learners.

The cold weather is upon us and it is imperative that the students wear warm clothing. Please do not send your child to school without a jacket. Also, write your child's name on the jacket tag.

PRINCIPAL'S CORNER

Happy New Year!!!! Welcome back, I hope that everyone had a restful winter break. We have a busy second semester ahead of us. We will continue to prepare the students for the upcoming Standardized Test, but it is imperative that you also help us by making sure the students are present every day and on time. I ask that all students continue to read each night at least 30 minutes and to continue working on their math facts. Kinder and first grade need to learn addition facts. Second grade needs to focus on subtraction facts. Third grade needs to focus on multiplication facts and fourth and fifth grade need to focus on both multiplication and division facts.

Attendance

It is imperative that ALL students attend school every day. If your child is absent, please notify the school secretary immediately. The number is (575) 752-3279. Students who have perfect attendance for the month will be receiving prizes. Students are counted tardy after 7:55a.m. If you arrive after the tardy bell, please come in to the office and sign in your child. Please be notified that students who arrive after 7:55, will be placed in noon detention.

Inclement Weather

Any time we have a 2 hour delay, breakfast will not be served. Please make sure that your child eats at home. Lunch will be served as usual.
